The Lost Dog Cafe

The cafe — The Lost Dog story begins in a tiny storefront space in Arlington’s Waverly neighborhood in 1985. That’s when Ross Underwood and Pam McAlwee pooled every penny they could scrounge to open the wine and cheese shop that soon became the Lost Dog Cafe. They started small, dream big and worked countless hours long days until things slowly fell into place.

The Rescue — Lifetime animal lovers, Ross & Pam started rescuing dogs early in their business career. It began with a few dogs being rescued from local shelters. Employees at the Cafe were soon fielding calls from dog adopters in between orders without missing a beat, and the rescue mission became part of the Lost Dog culture.

In 2001, the animal rescue efforts were formalized into the Lost Dog & Cat Rescue Foundation (LDCRF), a non-profit corporation devoted to helping homeless dogs and cats find forever homes. Today, LDCRF finds homes for 2,000+ animals per year and estimates that over 30,000 lives have been saved since its inception. The foundry’s success is due in no small part to the continued support of the Lost Dog Cafe restaurants.

The Franchisee — All Lost Dog franchise locations are owned and operated by members of the Lost Dog family, who are well versed and committed to carrying on Ross and Pam’s dedication to good food, great customer service, and deep-rooted love for animals that embody the original Lost Dog Cafe.

All dogs always have a home in our hearts at the Lost Dog Cafe.
